Report of the Secretary-General

Corrigendum

1. **Section II, component 2: support; first table under expected accomplishment 2.1**

The second section in the "actual indicators of achievement" column *should read*:

Owing to difficulties encountered in the import of certain goods, the equipment did not arrive on time; project estimated to be completed in December 2005

2. **Section II, component 2: support; modernization programme**

The first section in the "remarks" column *should read*

Of 7 positions planned, only the microwave link at position 16 was installed. In the other 6 positions, implementation could not take place owing to the late delivery of Cisco equipment caused by import difficulties; positions 22 and 80A were completed in September 2005; remaining positions scheduled for completion by May 2006
